

## Why Use Professional Solutions Financial Services?

Three reasons...speed, simplicity and cost-savings. We're committed to serving your needs and helping you accomplish your goals immediately.

### Benefits of Professional Solutions:

- **No Pre-Payment Penalties** – pay-off the principal balance at any time.
- **Fast Approval** – usually within 1-2 hours or faster.
- **Timely funding** – Same day funding via ACH, check, or wire
- **Flexible Terms up to 60 months and other customized options** – See below
- **No hidden fees**
- **We are a direct lender** – Self funded, not a lease broker.
- **No automatic renewals**
- **No blanket liens**

### Benefits to Leasing:

- **Conserve your cash and working capital** – Receive benefits of using capital equipment now that is not currently in your capital budget.
- **Take advantage of Tax Benefits** – Sec. 179
- **Eliminate Equipment Obsolescence** – Stay on the leading edge of technology by building add-ons and upgrades into your lease.
- **100% financing** – Unlike bank loans, no down payment is required. You can also finance installation, taxes, and shipping cost.
- **Build capital strength** – Leasing allows you to purchase the technology you need today while spreading your payments over time – freeing up capital for investments or other business expenses.

### EASY PAY PROGRAMS

- **Standard lease with or without an advance payment**
- **Up to 90 days deferred...then 36, 48, or 60 months**
- **Step lease...3 payments of \$0.00 followed by 9 at 1% then 48 payments**
- **Custom structures** – Professional Solutions can tailor a custom lease to fit your needs.
